

## DISCLAIMER

---

Eco Vermiculite (Pty) Ltd guarantees the structural strength of the Pizza Oven Dome for a period of 12 months from the date of purchase ONLY if the Pizza Oven Dome has been permanently installed (and inspected by a representative of Eco Vermiculite) and thereafter the curing procedure has been followed.

Small hairline cracks may occur, as it is normal characteristic of pizza ovens or any concrete structures being heated. Cracks which is more than 2mm is not normal, however it should not affect the structural strength of the Pizza Oven Dome. Eco Vermiculite can provide filling material if the Customer wants to repair the cracks for aesthetic purposes.

Customers are urged to cure their ovens according the procedure received with the purchase. If the procedure was not followed accordingly, Eco Vermiculite will not be held responsible for any un-natural cracking.

Customers buy the Pizza Oven Dome on an ex works, Tzaneen basis. If the Pizza Oven Dome is damaged during loading, handling, transportation, and placement, Eco Vermiculite cannot be held responsible. Assistance with loading, handling, transportation, and placement can be arrange at an additional cost. The Pizza Oven Dome is a "starter kit" for a DIY project and Eco Vermiculite will provide advice but are not doing full installations.

Kindly sign and send back within 48 hours. Failure to send back the signed disclaimer will result in your warranty being deemed nil and void.
